

Certainty

Certainty undermines one's power, and turns happiness into a long shot. Certainty confines.

Dear one, there is nothing in your life that will not change — especially all your ideas of God.

Look what the insanity of righteous knowledge can do:
crusade and maim thousands
in wanting to convert that which
is already gold
into gold.

Certainty can become an illness
that creates hate and
greed.

God once said to me,

**"Even I am ever changing —
I am ever beyond
Myself,**

what I may have once put my seal upon,
may no longer be
the greatest
Truth."
