

Osho's "Ten Commandments"

Osho was against any kind of commandment but, "just for fun", set out the following;

1. Never obey any command unless it is coming from within you.
2. God is the energy of life.
3. Truth is within you, do not look for it outside.
4. Loving is praying.
5. Become nothingness, rest in nothingness, it is the door to Truth.
6. Life is only now, and here.
7. Wake up every moment.
8. Do not swim — float. You are where you need to be.
9. Let the past go, be here and fresh each moment.
10. Do not search. That which is, is. Slow down, and let it in.

- edits by Lyn

1. Never obey anyone's command unless it is coming from within you also.
2. There is no God other than life itself.
3. Truth is within you, do not search for it elsewhere.
4. Love is prayer.
5. To become a nothingness is the door to truth.
Nothingness itself is the means, the goal and attainment.

6. Life is now and here.
7. Live wakefully.
8. Do not swim—float.
9. Die each moment so that you can be new each moment.
10. Do not search. That which is, is. Stop and see.
